

2023:

Dear South Central Association for Clinical Microbiology Attendee:

Welcome to the Advancing Expertise in Microbiology webinar series. For each session in this series, we will use the **online ASCLS CE Organizer** program to document your attendance and process continuing education credits.

The American Society for Clinical Laboratory Science (ASCLS) manages the administrative system for continuing education, Professional Acknowledgement for Continuing Education (P.A.C.E.). ASCLS now offers the CE Organizer program. Both ASCLS members and non-members can prepare a certificate with CE Organizer. Data from this program can be automatically downloaded to the ASCP BOC Certificate Maintenance Program.

Event Instructions:

At some point near the end of each session, the moderator will announce a **unique session code** for that session. **Record the session code number on page 2 of these instructions.** Each attendee will need this number to get credit for attending the session.

Claim P.A.C.E. using ASCLS Organizer:

1. Go to <https://ceorganizer.ascls.org/>
2. Select either Member or Non-Member log-in box.
 - a. **ASCLS Members:** Log in using the same username and password as the Members Section.
 - b. **If you are not an ASCLS Member,** and do not have an account in CE Organizer already, click the "Register Here" link to create a free account.
3. Once logged in, click on **Claim Credit**.
4. Select the tab **Other P.A.C.E. Programs**.
5. Scroll down to find **362 SCACM**. Click on the "View Events" icon.
6. On the next screen check the boxes of every session for which you need to claim credit & click "Next."
7. On the following screen enter the unique session code for each session and click "Next."
8. Evaluate the sessions on the screen, then click "Complete Survey."
9. On the Final screen you can download or print your certificate.

*Scan above barcode to go
directly to CE Organizer*

Enter your session codes and print your certificate **before December 31, 2023.** After that date, the session codes will no longer be valid, and CE cannot be claimed.

If you have questions or comments, please email the SCACM Continuing Education Team at ceu@scacm.org.

Jason Wholehan, MLS(ASCP)^{CM}
Carrie Anglewicz, M.S.

Advancing Expertise in Microbiology Educational Sessions					
P.A.C.E. #	Session Title	Contact Hours	Date	Time	Session Code
362-001-23	<i>Update on Monkeypox</i>	1	Jan	12:00pm	
362-002-23	<i>Best Practices for Creating an Antibigram and Review of Updates to the CLSI M39</i>	1	Feb	12:00pm	
362-003-23	<i>Approaches to the Diagnosis of C. difficile Infection</i>	1	Mar	12:00pm	
362-004-23	<i>ABCs of Adenovirus</i>	1	Apr	12:00pm	
362-005-23	<i>Agents of Bioterrorism: Overview of Laboratory Testing and Exposure Investigation</i>	1	May	12:00pm	
362-006-23	<i>Susceptibility Testing for Coagulase Negative Staphylococci</i>	1	June	12:00pm	
362-007-23	<i>Advances in Testing and Treatment for Patients with Cystic Fibrosis</i>	1	Sep	12:00pm	
362-008-23	<i>Update on Fungal Diagnostics</i>	1	Oct	12:00pm	
362-009-23	<i>Biochemical Backup in the MALDI-TOF MS Lab</i>	1	Nov	12:00pm	

Thank you for attending session(s) of the Advancing Expertise in Microbiology. Do not delay in claiming your P.A.C.E. credit. Session codes will expire: **At the end of the year, December 31, 2023.**
